

TRAINING COURSE ON INSTRUMENTAL ANALYSIS

(25th – 29th of Every Month)

Organized by

AVANTHA

AVANTHA CENTRE FOR INDUSTRIAL RESEARCH & DEVELOPMENT

BILT PAPER MILL CAMPUS

YAMUNA NAGAR-135 001 (Haryana), INDIA

Phone: (01732) - 292704, 292712

E-mail: info@avantharesearch.org; csc@avantharesearch.org

PREFACE

Avantha Centre for Industrial Research & Development (ACIRD), formerly known as Thapar Centre for Industrial Research & Development (TCIRD), was set up at Patiala (Punjab) in 1983 by the Avantha (*Formerly Thapar*) Group of Industries with a view to accelerate research, design and development activities, and provide science and technology base in emerging areas. In January 2009, the Centre was shifted to Yamuna Nagar (Haryana) near Ballarpur Industries Limited (BILT) to foster the research in the area of pulp, paper, environment, chemicals and allied fields. The Centre having good infrastructure in terms of latest equipment/ instruments is recognized as Scientific & Industrial Research Organisation (SIRO) by Department of Scientific & Industrial Research (DSIR), Govt. of India, New Delhi. ACIRD is also accredited in the Chemical and Mechanical disciplines by National Accreditation Board for Testing and Calibration Laboratories (NABL).

The importance of instrumental analysis in the fields of basic and industrial research, quality control, pollution control etc. is well recognized all over the world. Therefore, it becomes imperative that students enrolled in UG/PG programmes, technical personnel from academia and industry keep themselves aware of the developments in the area of analytical chemistry. Training courses are important in strengthening the capability of an individual and preparing for future. **2 days training programme on Instrumental Analysis during 25th - 29th of every month has been planned at our Centre** to educate manpower and enable them to improve upon their performance.

Training: The training program will be delivered through lectures and workshop sessions.

Topics: UV-VIS Spectroscopy, Atomic Absorption Spectroscopy, Gas Chromatography, High-Performance Liquid Chromatography, Ion Chromatography

Eligibility: Participants having Degree in Science / enrolled in PG Programmes / Faculty / others.

Selection Procedure: On first cum first serve basis. Holding of any relevant ID proof during training period is must.

Program Fee: Rs. 4000/- by Cheque / Demand Draft in favour of "A.C.I.R.D." payable at Yamuna Nagar. Course fee includes working lunch, program fee and course material only.

Last Date of Registration: Before 23rd of every month.

Certificate: On the successful completion of the course, Certificate of Participation would be issued.
